

## Canal Run Results

The 27th Annual Republic Bank 10 Mile Canal Run/Walk was held this morning. Weather conditions were warm and humid.

Dan Dalquist, Republic Bank Community Bank President, said "Our field was smaller this year. We had 100 runners and 18 walkers. The heat & humidity forecasted for the morning limited the participation as did other races in the U.P. We are already planning for the 28th event which will start at 8:00 in an attempt to minimize the exposure to warm temperatures. We want to thank the staff at McLain Park & the City of Hancock for their support. A very special thanks to the Republic Bank volunteers and family members & friends who help make this a successful event"

Mr. Joe Caron ran the 10 mile route wearing a fireman's turnout coat & pants as his way of asking all of us to remember the victims of Sept. 11 and rescuers who help us on a daily basis.
